Since the features on Casio keyboards vary according to the model, check your manual to learn which ones are available. For example, you may be able to set a metronome or follow programmed lessons. As a starting point, try playing a scale of C, which is when you play 8 white keys beginning with middle C. Record yourself as you play so you can find out where you ' re making mistakes.

Sound no one would expect from such a compact keyboard The use of 13 cm x 6 cm oval speakers with strengthened magnets delivers surprisingly great sound for such a compact instrument. An additional function that optimizes the equalizer in tandem with the volume provides balanced sound from the bass to the highs, even at low volumes.
