The R.L. Drake Company has been a leading name in American electronic communications since 1943. The Drake R8B is the latest offering in the proud R8 , R8A series tradition of excellent receivers. The R8B is a microprocessor controlled, synthesized, all mode, world band receiver offering excellent sensitivity, high dynamic range and other ...

Drake R8B Communications Receiver

He observed that apparently Drake service replaced tubes even if they were just dusty. Another operator remarked that given all that he had spent on the rest of the station that a less than \$100 charge for a great operating receiver was nothing. My thought, not shared aloud, was Drake service was finally getting paid for all of
