COLONIAL ADMINISTRATION - History Form 3 Notes

To judge the impact of colonialism on development in Africa simply by looking at outcomes during the colonial period is a conceptual mistake. Post-independence Africa looked nothing like it would have done in the absence of colonialism. Indeed, in most cases post-independence economic decline in Africa can be explicitly attributed to colonialism because the types of mechanisms that led to this ...

Development Administration: Definition, Concepts and ...

Colonialism is the policy of a country seeking to extend or retain its authority over other people or territories, generally with the aim of economic dominance. In the process of colonisation, colonisers may impose their religion, language, economics, and other cultural practices on indigenous peoples. The foreign administrators rule the territory in pursuit of their interests, seeking to ...
