Comprehensive Guide Ronald Carter, Michael McCarthy A major reference grammar offering comprehensive coverage of spoken and written English based on real everyday usage. The Cambridge Grammar of English is a major reference grammar from the world's leading grammar publisher.

Cambridge Grammar of English: A Comprehensive Guide ... Innovations and Challenges in Grammar traces the history of common understandings of what grammar is and where it came from to demonstrate how 'rules' are anything but fixed and immutable. In doing so, it deconstructs the notion of 'correctness' to show how grammar changes over time thereby exposing the social and historical forces that mould and change usage.
