Half Bad - Wikipedia

Half Bad is a young adult fantasy novel that seeks to be "grittier" than typical YA fare. It succeeds, in part, but is bogged down by the typical angst-y relationships and fairly predictable plot. I think most readers agree that the opening is the best part of Half Bad. It is a bit of a downhill ride from there.

compelling story that makes you question today's world(or at least it did for me). The far superior White Witches or S***es(I love this!) as they become to be known through one character, have control of much of the UK and are in the process of hunting down and seemingly culling Black Witches.

Parents need to know that Half Bad is the start of a fantasy trilogy about witches that the publisher is marketing to ages 12 and up. However, the amount of violence here and the overall edginess of the content make it pretty consistent with books most publishers aim toward the more mature YA crowd; high schoolers, not middle schoolers.

Half Bad is set in our world, but a version where Black Witches and White Witches have their own society and live (kind of) alongside fains (non-magical people). On their seventeenth birthday they receive three gifts (normal presents) and drink the blood of one of their relations (mmm...yum) and then they receive their Gift (psychic power).
