Rivers has been compared to The Road but I'm afraid I found none of the artistry of Cormac McCarthy's book here. Bit like comparing Jaws 3 with the original. Lots of generic characters (the lead character is sensitive, he's generously attentive to women and animals but he can also be relied upon to win an Gets my vote for the worst ever depiction of Venice I've come across in literature.

Rivers (Rivers, #1) by Michael Farris Smith
Rivers is an exceptional novel. Reviewers have made easy comparisons to Cormac McCarthy's The Road, and while I see the reasons why, the characters are given full flesh in Rivers. Set along the gulf coast, the novel proposes how the US Government would react to changing weather patterns which create back to back hurricanes and devastating storms.
