Scots property law governs the rules
relating to property found in the legal
jurisdiction of Scotland. As a hybrid
legal system with both common law
and civil law heritage, Scots property
law is similar, but not identical, to
property law in South Africa and the
American state of Louisiana .

Checking your property boundaries
You can check the boundaries by looking at the property documents or the title deeds. If you don't already have them, you can order property documents on the Registers of Scotland website. If you rent your home, your tenancy agreement might state where the boundaries of your property are.

Property Law Differences . One of the
main areas of difference is in property
law and conveyancing, with Scottish
solicitors having a larger hold over the
housing market than their English
counterparts. In fact, in Scotland,
solicitors often sell the properties
themselves, acting as both legal
advisor and estate agent.

In Scots Law your spouse and children
are entitled to inherit a share of your
estate, regardless of the terms of your
will. This means it is usually not
possible in Scotland to completely cut
out a spouse or a child from your
estate. The entitlement is to a share of
your moveable estate (everything
other than land and buildings).
