The White Road is the fifth Nightrunner novel written by Lynn Flewelling, and it's obvious that the series still has it's magic. I really enjoyed the strong characters, the fast pace, and the romantic elements. One thing I would recommend to readers is to not start the series with The White Road.

Amazon.com: Customer reviews: The White Road (Nightrunner)

White Road is the fifth in the Nightrunner series. Like the others of the series, it's well-written and tastefully done. It's been a little while since I read the rest of the series, but I found White Road easy to jump back into. The beginning was a bit rocky, I think, but it quickly (within a chapter or two) redeemed itself.
